

APPLICATION GUIDELINES FOR PRODUCERS

Strategic Partners is open to Producers from around the world.

Accepted projects are feature film or television fiction (live action), multiplatform and long form documentary. Please note animation and lifestyle programming are not included in SP. Applicants can submit up to three projects to be included in the SP Catalogue.

Please complete one application per Production Company. Up to two producers from each company are eligible to attend.

An internal selection committee will review all producer applications.

Applications are evaluated based on:

- previous co-production experience of the producer applying
- the creative and commercial merits of the project
- the amount of financing attached to the project
- the co-production possibilities of the project
- the number of delegates with compatible objectives

If selected, the relevant information will be taken from your application form and will appear in the SP Catalogue and 31st Atlantic Film Festival Delegate List, so please review carefully. In particular please avoid entering titles in all caps and/or italics.

The application can be saved at the bottom of any page. Once saved, information on re-accessing your application is sent via email. When you have finished editing please hit the Submit Button. You can continue to edit your application until submitted. Deadline for Applications, Monday July 11th.

All applicants will be notified of the status of their application by July 31st.

Following SP acceptance, applicable registration fees will be due in early August to confirm your participation.

RE: TRANS ATLANTIC PARTNERS, PLEASE NOTE:

TAP participants are automatically accepted for SP. However, in order to ensure that your information appears in the SP Catalogue, please submit an application form by Monday, July 11. Up to three projects can be included.

Further information on SP can be found on our FAQ page, or contact us at strategicpartners@atlanticfilm.com or 1-902-420-4322.
